

THE OPTIMIST

1962

Alan Greene

Dear Alan,

Knowing you has been one constant merry-go-round. I never to like next. I think that you're who you're going to I know (maybe even sweeter, about the sweetest boy the best of luck in everything than Alan). I wish you Love always,
Carol

OUTSIDE

Surrounding our school are shady oaks, centuries old, which lift their boughs proudly...

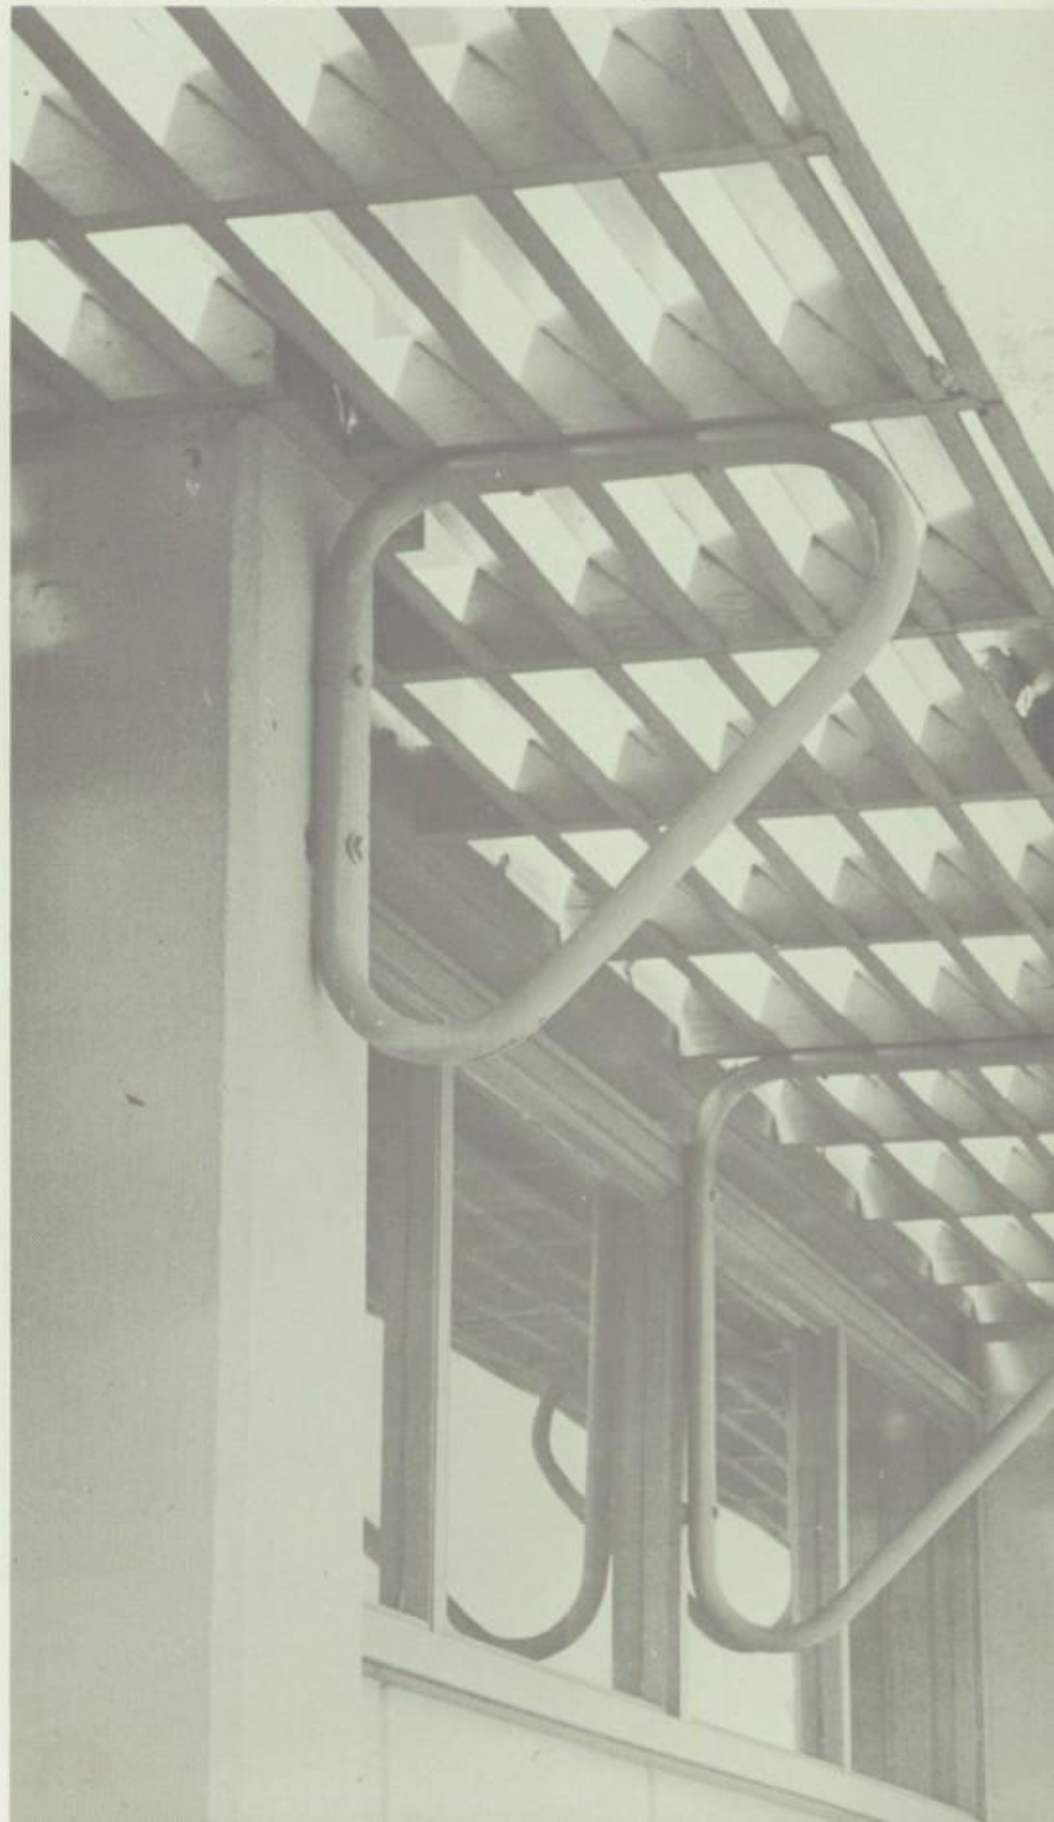

The portals of learning...

"What so proudly we hail"...

Modern architecture reflects a growing school.

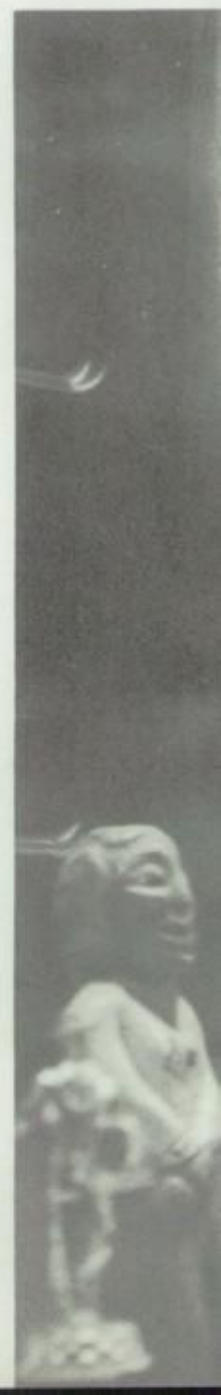

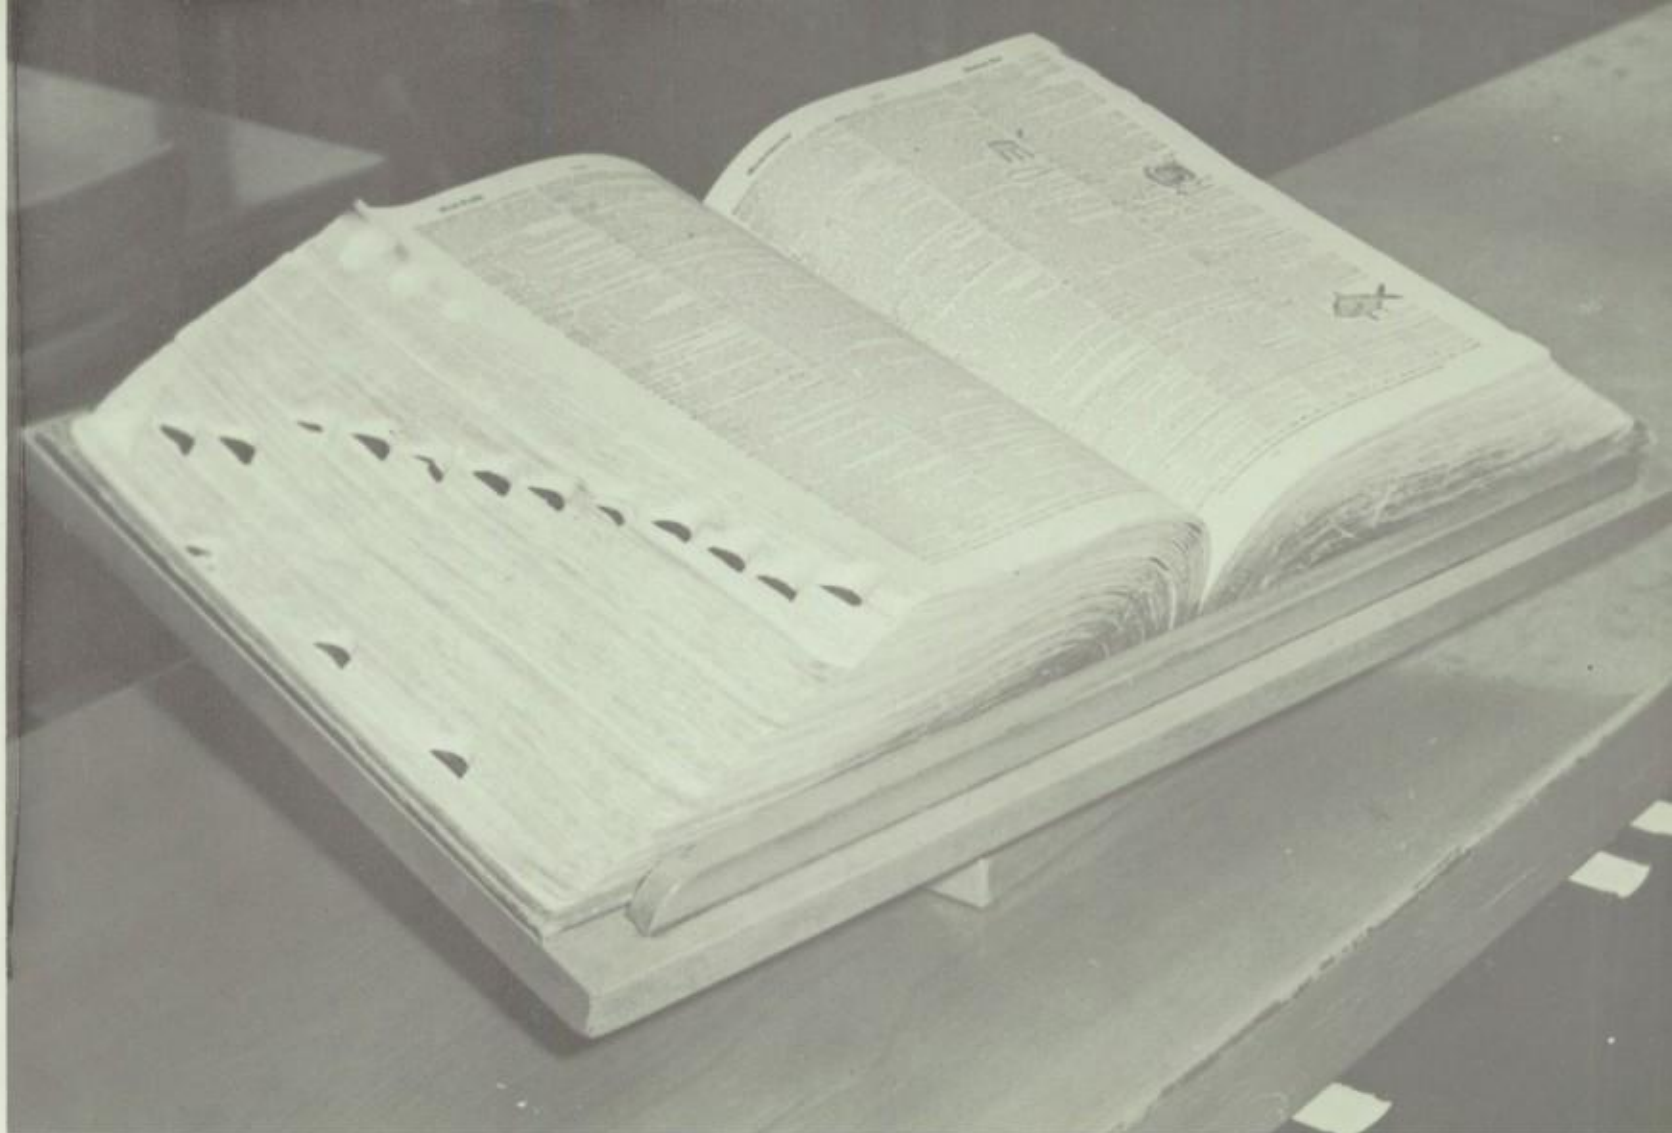

INSIDE

Outside, the rows of lockers lining out halls, present a neat clean appearance--inside...

Lost, perhaps, in the over-all view of the world, Forest Grove, nevertheless, is an important city of Western Oregon.

Noah Webster's big book, 3,214 pages of meaning, punctuation and spelling, is an imposing storehouse of the English language...

Carved in wood, the Yell Leader's trophy symbolic of TYV member schools, casts its stern countenance on main hallway passersby.

Pacific sunshine creates abstract patterns on hallway ceilings and walls...

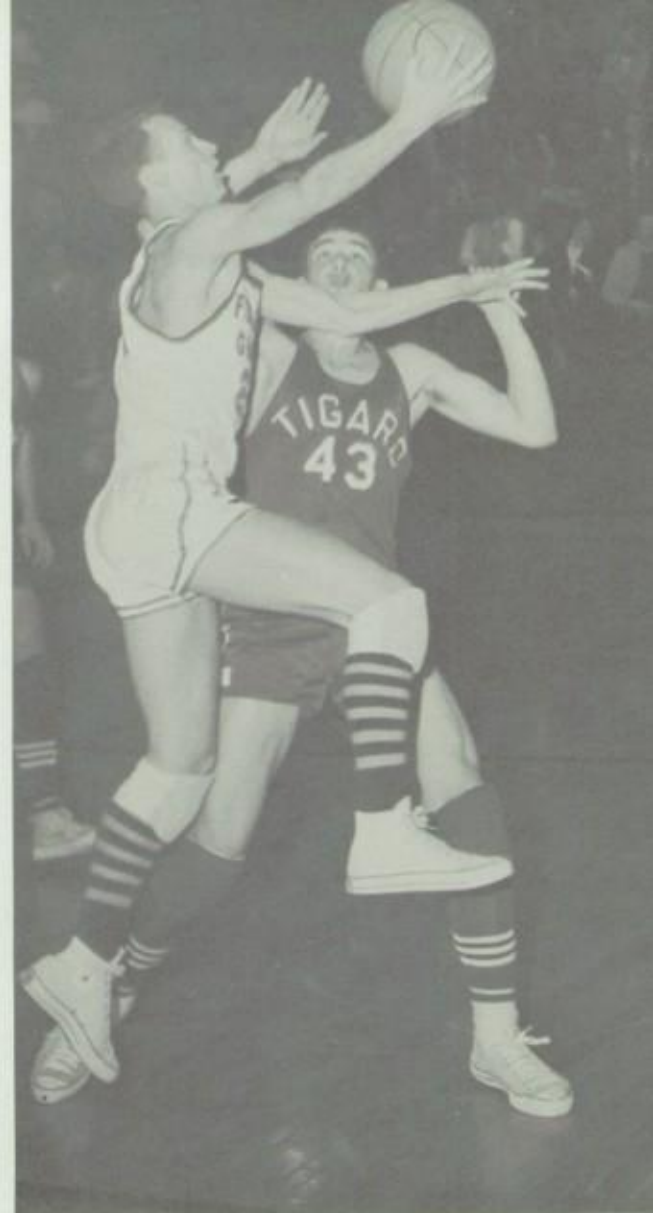

Assembled members of the 1962 graduating class salute the flag of our nation, serving as a reminder that here are loyal citizens ready to perform that which is necessary to keep our democracy a bulwark against communism and other "isms".

Representing more than just a piece of pig-skin, a football symbolizes team spirit, hours of work and the disappointment or pleasure of many. The way it "bounces" could determine a championship.

Get the ball -- put it through the hoop -- score the winning points...

There is something about a crowd, a certain strength in a common cause... whether it is football, baseball or a political rally...

Additional Classrooms Granted by Voters

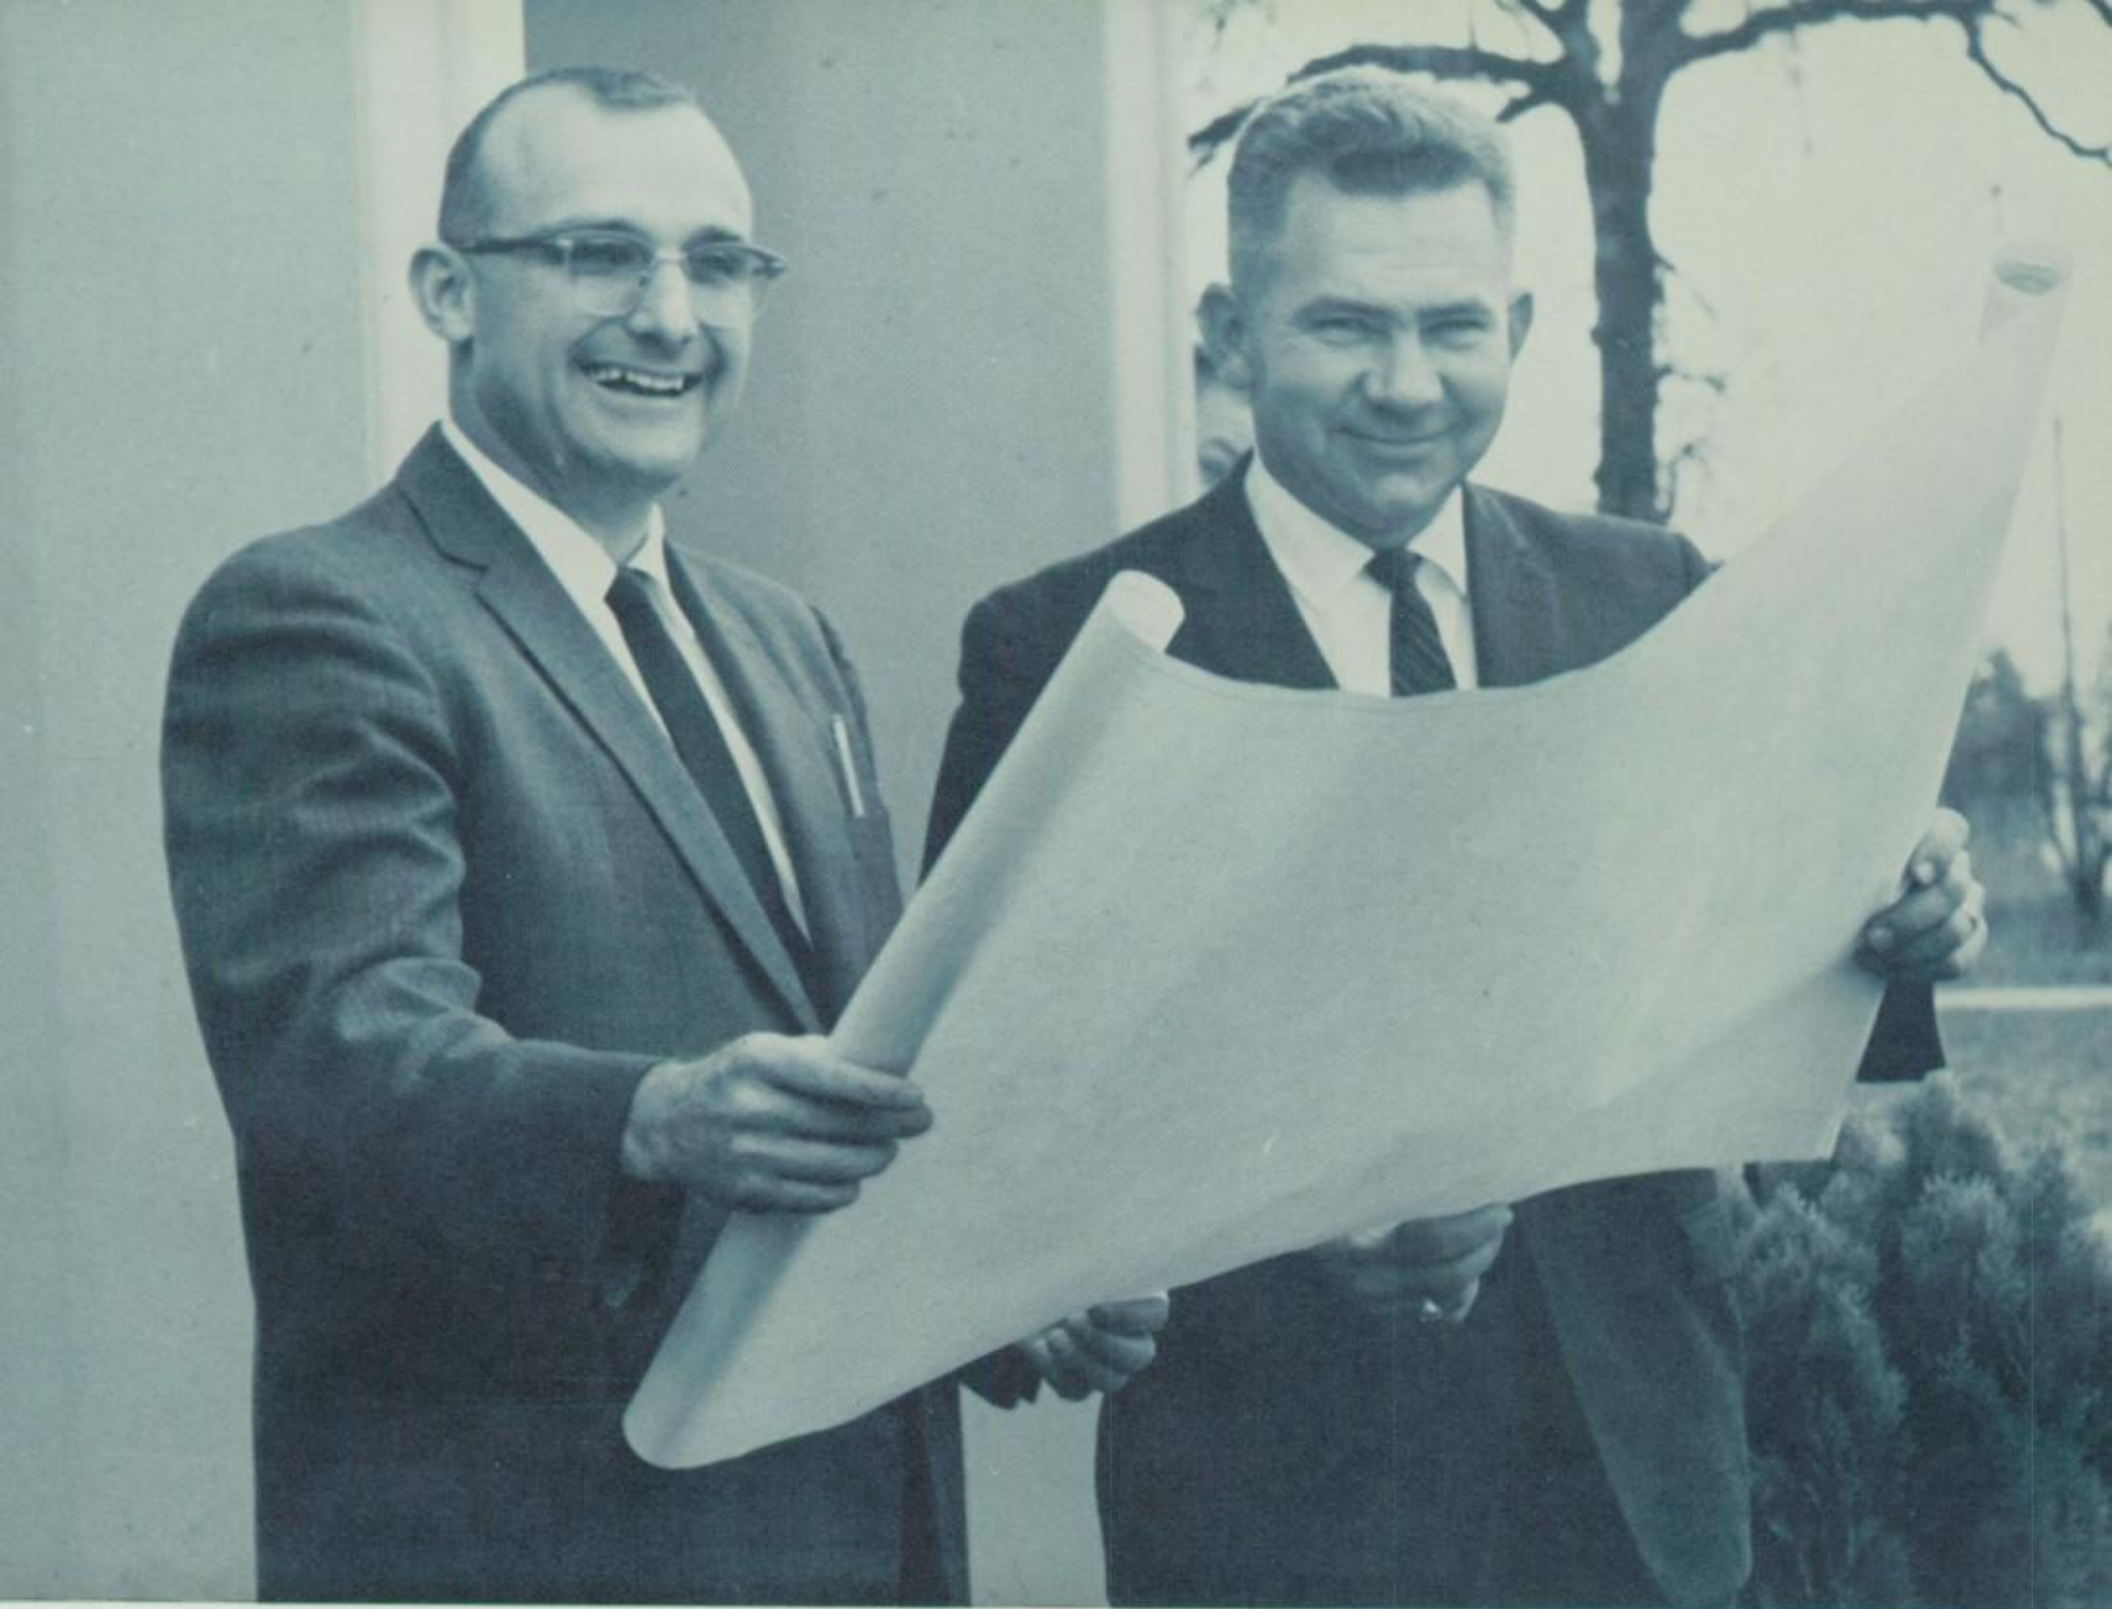

Largely through the efforts of Superintendent Loy Marshall, approval for the construction of ten additional classrooms was granted by the voters this year. The addition will increase the capacity of the school to one thousand. Students will initiate the new wing in January of 1963.

The highlight of the year was the school fair in which both the elementary schools and the high school participated. Subject matter of grades 1-12 was correlated. A large crowd testified to the success of the fair, which is planned every two years. Through progressive 1-12 displays, the achievements of the students were shown.

New to the administrative staff is Gordon Gartner, assistant to Mr. Marshall.

Pat Gilman, administrative secretary and district clerk, uses the dictaphone

Marvin Mellbye and Leroy Gamble discuss plans for the new wing to be built next year, adding a total of ten classrooms to the existing plant.

Laura Peterson, secretary, prepares the announcements for the coming day.

Pat McClelland, head secretary, smiles happily as she fulfills her daily responsibilities.

Enrollment Causes Program Shift

Facing the school administration is the problem of increasing enrollment, which caused double shift lunch periods and a seven period day. Additional classrooms and other facilities are being planned for the near future.

Immaculate hallways and orderly classrooms greet each day's onrush of teachers and students, due to the combined efforts of the janitorial staff. Headed by Art Guerske, District Manager and directly under Head Custodian Byron Farr, the group spent many hours sweeping, cleaning, and repairing.

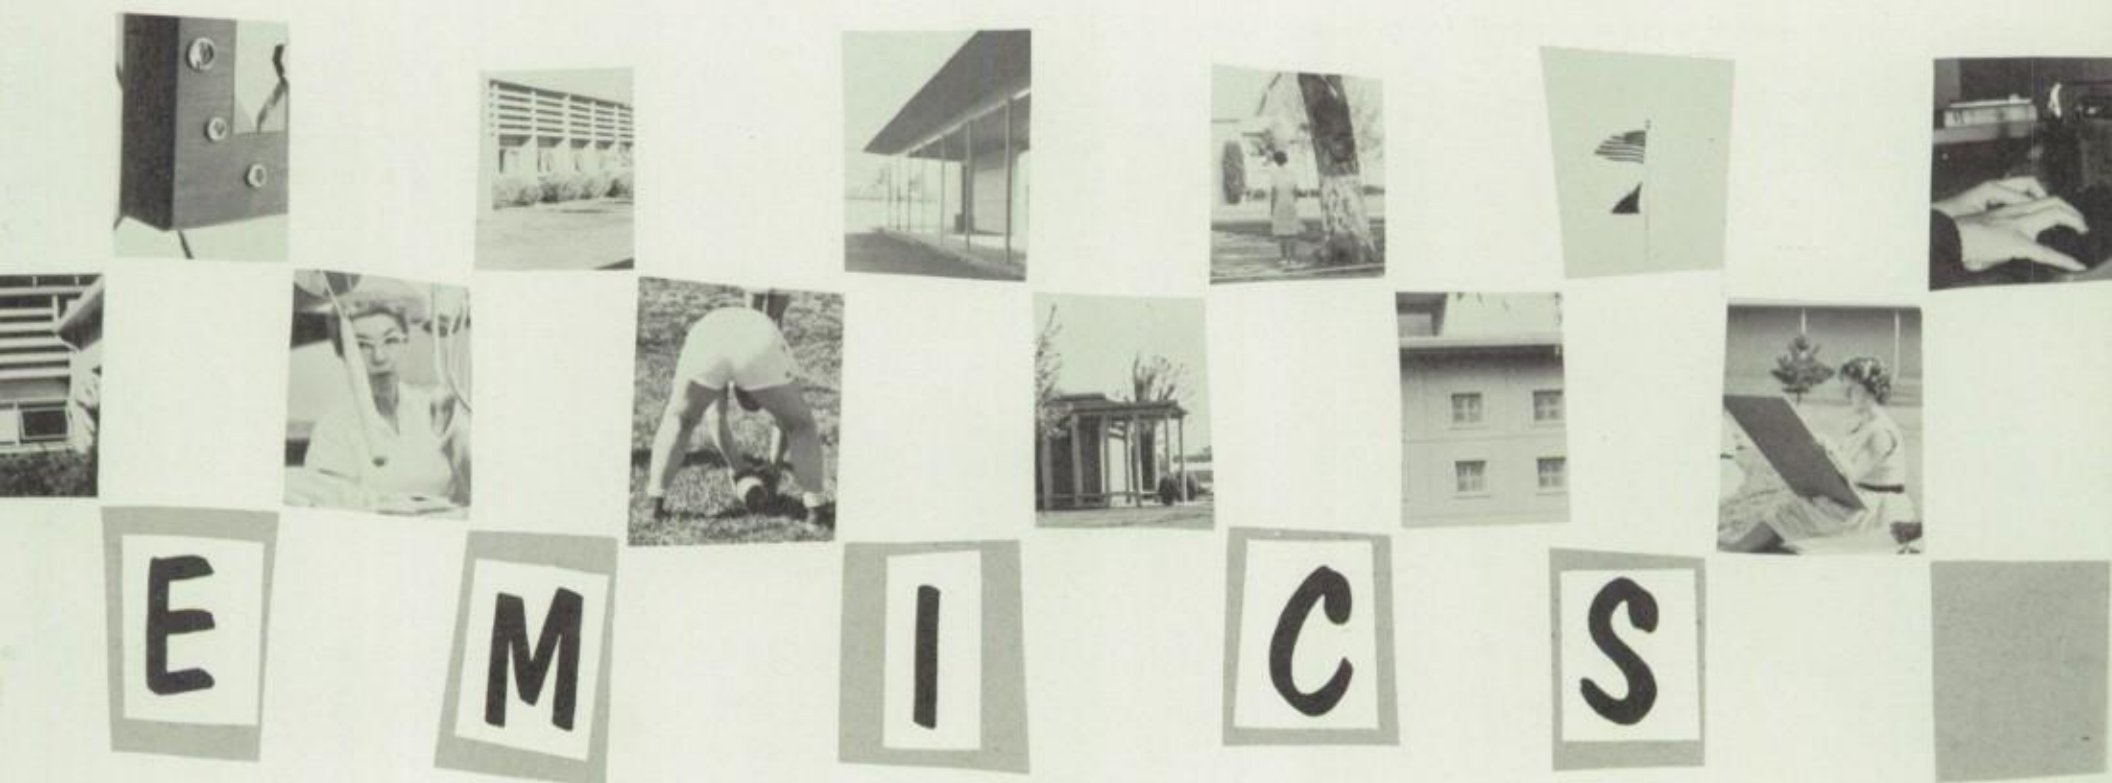

Students Adjust to New Lunch Program

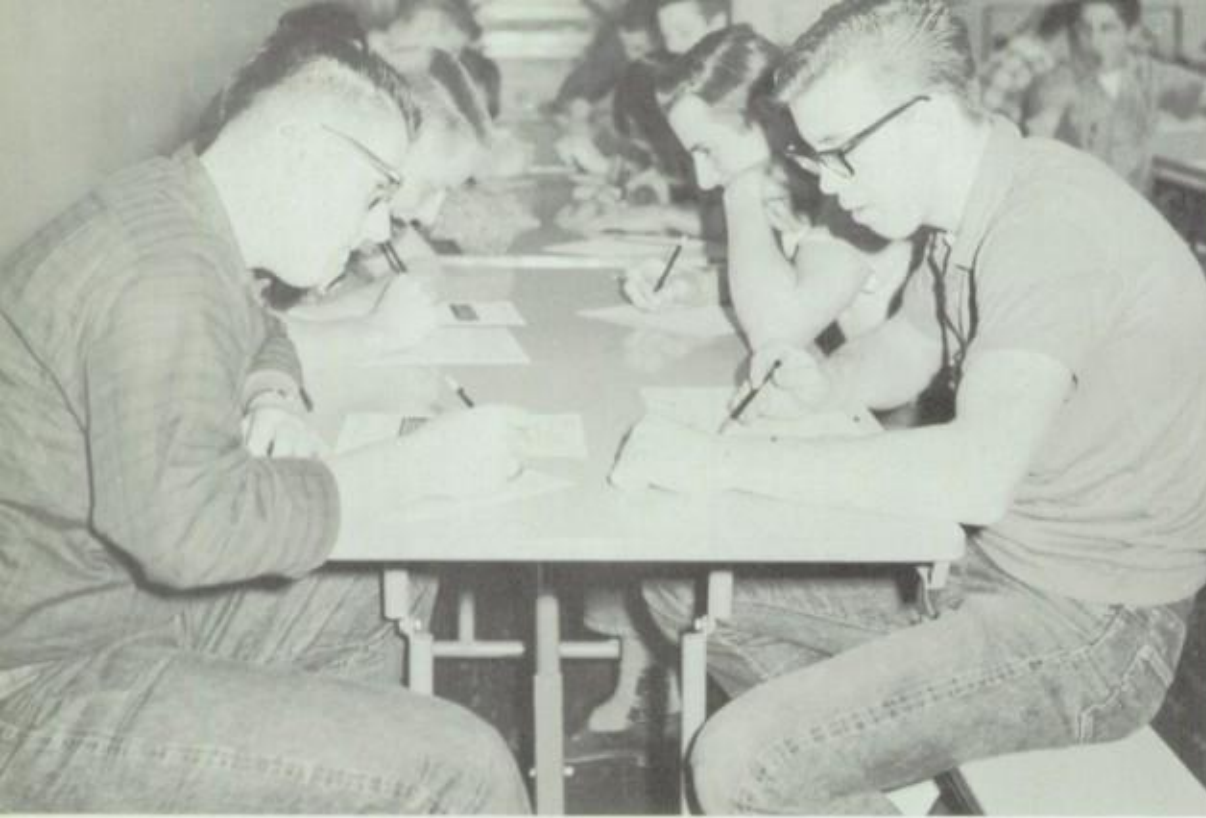

Hot steaming stew on cold winter days calls hungry students from classrooms to cafeteria during the two thirty-minute lunch periods. Students and teachers enjoy the variety of foods offered by the new cafeteria style lunch program.

Arts and Music Encourage FGUHS Students in Aesthetic Values

"The enlightenment and refinement of taste acquired by intellectual training" is culture, as defined by Webster. It is the aim of our Fine Arts department to offer the intellectual training in art and music necessary for the creation of cultivated people.

The art department teaches students the appreciation of the graphic arts, fine arts and sculpture. Music students learn to appreciate various types of music--both traditional and contemporary.

Band practice is a pleasant task for Bud Bliss, Bill Gilliam, and Harold Hendrickson.

Vocational Training Prepares Students for Future Occupations

Webster defines vocation as one's occupation or profession. Our vocational training program has as its purpose -- the preparation of students for their future occupations.

Students receive training in office work from our own high school office staff and in offices uptown. Clerking opportunities are also made available through the courtesy

of Forest Grove businessmen and the efforts of the distributive education program under the direction of Ray Haas. Those interested in library work may receive training from Marquerite Clark and Elburn Cooper. These various jobs not only teach students the skills of a particular trade but also teach them how to work with others.

Curriculum Changes Added in Social Science

Due to a change in the curriculum of the social science department, students are required to complete two years of history, and one each of Geography and Modern Problems.

History is the branch of learning that explores and explains events and facts of the past. Geography, the study of land and peoples, typography of the earth, climatic conditions, and physical phenomena, is given added importance as a regular subject area. Political, social, and economic problems are discussed in the senior Modern Problems class.

Achievements in Space Concern Science Department

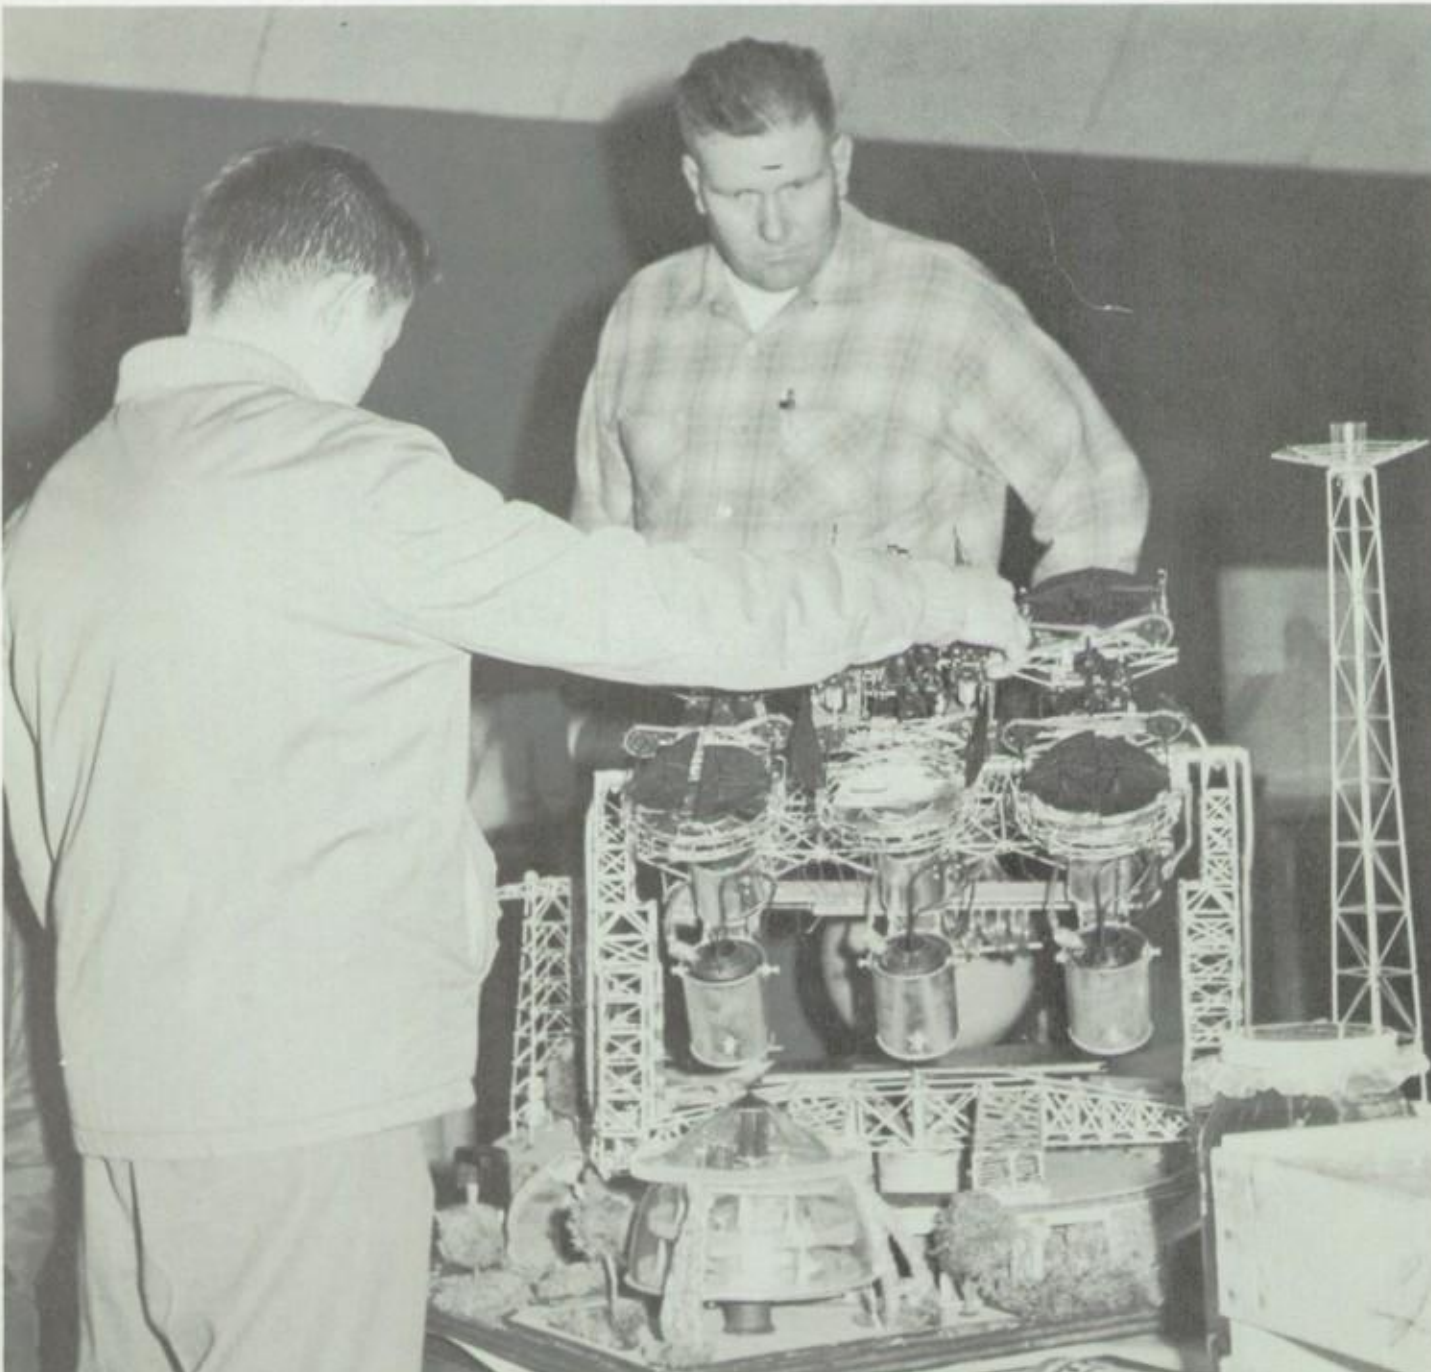

Science plays a very important part in our world today. For example, consider for a moment, a few of the many achievements made in space during the past decade. Many satellites are orbiting the earth each day, men have circled the globe in space capsules at tremendous speeds, and close-up pictures have been taken of the moon. It is the object of the science department to give students a fundamental knowledge of science, which will serve as a "seed" to further understanding of our scientific world.

In order to aid teachers in carrying out the role of preparatory science teachers, new equip-

microscopes. Many new books have been purchased for the departmental library. Through the use of books, students in science learn scientific facts, and through using equipment, students conduct experiments to observe for themselves the phenomena of science.

Halil Soysal an exchange physics and mathematics teacher from Lisesi High School in Eskishehir, Turkey, visited here for several weeks. He noted many similarities and contrasts between Turkish and American schools. One of the contrasts noted was that Turkish students are required to take all the basic sciences while American students are not.

Math Intrigues Students

Mathematically inclined students may pursue knowledge of this intriguing field through courses in--Algebra, Plane Geometry, and Trigonometry.

Each year students in Algebra II, Trigonometry, and Higher Math participate in a mathematics contest sponsored by the American Mathematical Association. Three winners are chosen from each participating school and their scores are submitted for state competition. This is one of the activities which stimulates an increasing interest in math.

The combined efforts of the entire Forest Grove school system made this fair the biggest and best ever.

First Semester Student Council

Boosts National Education Week

Due to the active leadership of the Student Council, one hundred-sixty parents visited school during National Education Week. The vigorous campaign was conducted by Student Prexy Don DeClerck. An appeal for aid in helping the needy was instituted by the council and resulted in several tons of food being contributed by students and faculty. These projects were only a part of a busy semester of Student Council activities.

Second Semester Student Council Promotes Student CleanUp

During the busy year of 1962 the Student Council was no exception. Throughout the year the Student Council made sure the papers around the school were picked up. Being the senate body of government they made sure that the school was at an even tempo at all times. They also serve as an liaison for the groups and clubs around school. They end the busy school year by electing the elective officers of the Student Government.

Science Students Sponsor Science Fair

Science club membership is open to any student having an interest in science and a willingness to participate in and to help organize the annual science fair. In addition to this, science club members sponsor a hot dog sale, which is their chief money raising project.

Meetings are held monthly. Meeting programs consist of science films, reports on current science experiments and general discussions of scientific topics. An awareness of the relationship between high school science and space exploration is engendered through these activities.

Hi-Y Upholds Christian Ideals

This year Hi-Y has been very active in attending the churches in the community once a month as a club to promote higher Christian ideals.

By promoting high Christian ideals through attendance in community churches monthly, the local Hi-Y organization believes that this is an activity that will further the purpose of their club.

Hi-Y is strictly a boys club and to be a member a boy must have been a sophomore, junior, or senior for at least one semester. The new members are inducted twice a year.

Among their various activities, the Hi-Y sells popcorn after school assemblies.

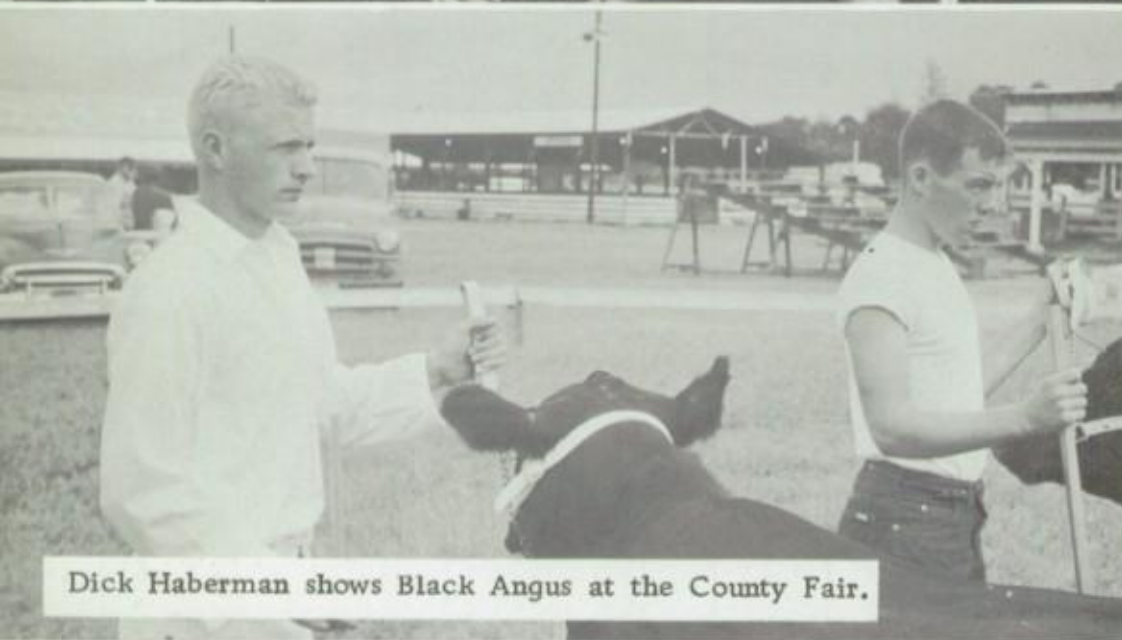

This year's presidents are Harry Farr and Bill Peppard.

Future Farmers Participate In Variety of Contests

"The farmer feeds the nation"--may be an old cliché, but it means serious business to the Forest Grove chapter of the Future Farmers, a nationally affiliated organization.

Participating actively in numerous projects throughout the year, this group grew raspberries, Christmas trees and grain crops. Social events included a Parent-Son banquet, at which time local awards were given to outstanding club members. Competition at the Washington County Fair saw a worthy display of farm equipment, produce, and livestock. Home and home donkey basketball games with Banks High School provided a fund raising activity.

An important part of the school program, the FFA is important to the Forest Grove area, which is basically agricultural.

Varsity Yell Squad Cheers for Teams

As a result of a successful basketball season, an inspired Yell Squad raised to fever pitch, the enthusiasm of the student body. Throughout the year the Yell Squad, under the leadership of advisor, Anna Schaad and Pep Queen Lela Lopez kept school spirit hitting on all cylinders.

The rally squad is chosen by popular votes of the student body. Many hours are spent practicing new routines and yells.

Each year the Varsity Yell Squad goes to Corvallis to Oregon State Pep Cheerleaders Clinic where new routines and yells are learned. In the final competition the Yell Squad took third place out of approximately twenty participating squads representing Oregon High Schools.

Chorus Entertains at Student Assemblies

Throughout the year the chorus sings for various events including, assemblies, concerts and the Annual Spring Music in May festival.

Among the groups taken from the original chorus are the "Senioresses", "Quartet", "Freshmen Triple Trio. These groups entertain down town business clubs and High School affairs during the school year.

Under the direction of James Warner the chorus is undergoing a "building" program.

The quartet added their harmony to the "Gay Nineties" program.

Saxaphones and French horns augment the bass section.

Band Presents Outstanding Halftime Entertainment

Under the direction of Band Director Elburn Cooper and Student Director Ed Ross, the band performed outstanding routines at various football games. Striking out ahead of the band formation, the majorettes in gay-gold uniforms, presented an attractive and crowd pleasing spectacle.

The pep band played at home games, which encouraged school spirit. In addition to full band, there is the dance band which entertains at assemblies.

Outstanding event of the year is the Annual Spring Band Concert, at which time, a well-known celebrity in the music field is presented by the Music Department.

Black-haired, brown-eyed, diminutive Lela Lopez was the students' popular choice for Homecoming queen of 1961. Accompanying the Queen were crown princesses vivacious Linda Long, and sparkling Melva Ranes. The other members of the court consisted of eight senior girls: Dianne Franklin, Judy Bay, Donna Smith, Cheryl Lu Juncker, Eileen Schneider, Susan Aird, Linda Tilson, Arleen Vanderzanden. Due to a tie, there were eleven princesses this year instead of the customary ten.

Judy was unable to attend the Homecoming activities because of an emergency appendectomy.

Kismet Chosen 1961 Homecoming Theme

Enthusiasm is at a peak as Eileen Olovson leads a yell at the Homecoming serpentine up town.

Amidst a setting of the Taj Mahal, three little harem girls tapped two crown princesses and a queen who reigned over the 1961 Homecoming festivities. The theme "Kismet" was carried out under the direction of the junior co-chairmen Lorraine Muhly and Ron Thompson.

The school orchestra, directed by Elburn Cooper, played an old-time favorite, "Love Is a Many Splendored Thing."

Queen Lela I, after being crowned, was presented with a beautiful bouquet of red roses, symbolic of her station of 1961 Homecoming Queen.

During a pause in the serpentine, Crown Princess Melva, Queen Lela, and Crown Princess Linda smile for the camera.

Ron Thompson and Lorraine Muhly pause from a busy schedule for the camera. Ron and Lorraine were the co-chairmen for the 1961 Homecoming activities.

"...Ladies and gentlemen, announcing Queen Lela I!"

Beaming ecstatically, Queen Lela I leads the recessional.

Anticipation becomes a reality for Linda Long as she is tapped Crown Princess.

At the announcement of her becoming Crown Princess, Melva Raney assumes a quiet humility.

Juniors Win Class Competition in Miss Merry Christmas Contest

After being chosen by secret ballot, the four Miss Merry Christmas candidates, Judy Bamford, freshman; Mary Ranes, sophomore; Lorraine Muhly, junior; and Melva Ranes, senior, assumed the duty of selling voting-tickets in the hall during their lunch hour.

At the conclusion of the voting period, the votes were counted and the queen was tapped at the P. T. A. dance.

The money brought in by the tickets was contributed to the Firemen and the Elk's Club to help the needy families at Christmas.

Sophomores Contribute Largest Sum for Junior Red Cross

Headed by co-chairmen Heidi Lenhartzen and Laurie Collins and under the direction of Miss Billman, the Junior Red Cross began its annual drive for membership.

The sophomores won the Queen title for their princess, Susie Sheldon, by contributing the largest sum of money. The runners-up were the freshmen, princess Judy Bamford; juniors, princess Eileen Olovson; seniors, princess Linda Long.

The money brought in by this activity was contributed to the state Junior Red Cross organization.

Sponsoring a "Slave Auction" during Twirp Week was another of Junior Red Cross's activities.

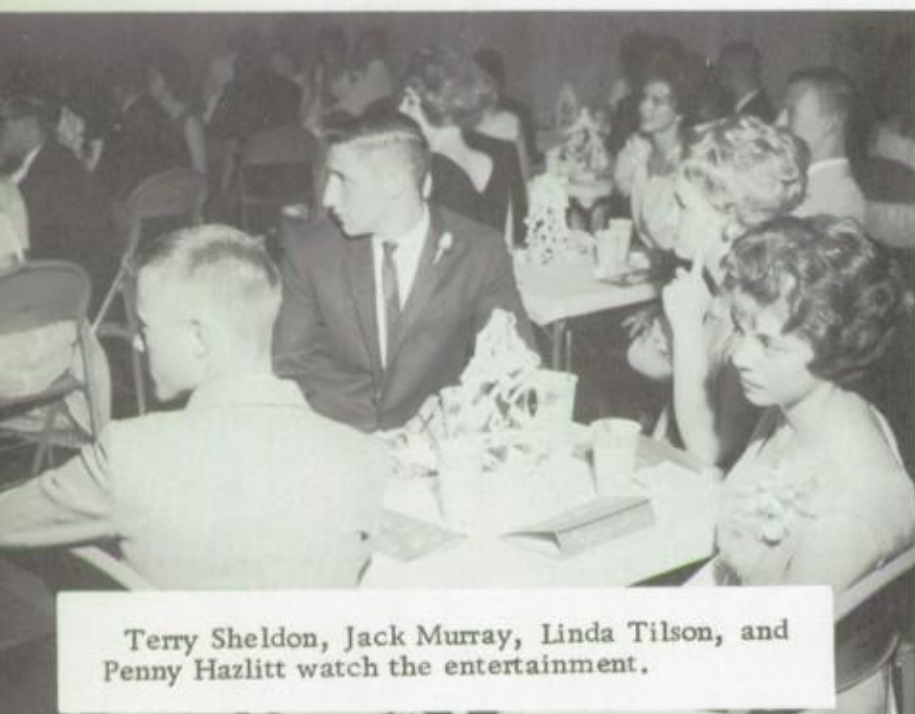

Ending a year of numerable activities, Junior Red Cross successfully fulfilled the objectives of the organization.

Prom - "Evening In Paris"

With the help and direction of the co-chairmen, Mick Frederick and Dave Hilden, and decoration chairmen, Arleen Vanderzanden and Carol Harding, everyone began preparing for the 1962 Junior-Senior Prom. The setting for the theme, "Evening in Paris," was a French outdoor restaurant. It was placed between two beautifully decorated walls of roses and white lattices devised by Ethel Hays and Judy Loper. Also, a flower garden with a water fountain and a gazebo for the band added to the French atmosphere.

Pastries, assorted nuts, and punch were prepared by Mrs. Racine and served by ten sophomore couples. The girls wore black skirts, black shoes and black blouses; the boys wore black slacks, black shoes, and white shirts, typical of a French waiter.

Excellent entertainment was provided by the Chord Blenders and the Freddy Keller Band. Chuck Olsen, a member of the Chord Blenders, did pantomimes to records by Johnny Ray. Both groups were a big success.

M. C. Dave McGlasson welcomed the Prom participants and introduced the entertainment.

The time, money, and hard work put into the Prom paid off in enjoyable evening full of fun for everyone.

Junior Play Big Success

Suspense, drama, and mystery characterized the performance of "The Diary of Anne Frank" by the junior class. Outstanding acting ability was credited to Jean Larkins, who more than adequately portrayed Anne, the central character in the play. The story is based on the activities of a Dutch-Jewish family hiding from the Germans in World War II. A large, enthusiastic audience responded with several curtain calls. Her parents presented Jean with a large bouquet of roses. According to director Mr. Giansante and viewers, the play was a remarkable success.

Sharon Herbert and Lynda Pugh busily apply make-up to Darrell Slabaugh who played Mr. Dussel.

Meip, portrayed by Helen Hanna, says, "We put the stores of food you sent here. Your drugs are here...soap, linen, here."

In a quiet moment, Anne, Jean Larkins, expresses her feelings to Peter, Mike Stinson.

Tom Wingfield, Gary Smith, retorts, "You'll go up, up, up over Blue Mountain on a broom stick, you ugly, babbling, old witch!"

"The Glass Menagerie"

Something new was added to Forest Grove drama this year: "The Glass Menagerie" was presented by the senior class for three evenings in the Little Theatre instead of just one performance in the gymnasium.

The plot of the play revolves around the events which take place in trying to find Laura Wingfield a gentleman-caller.

Humor and tragedy mix well in this successful play by Tennessee Williams.

Jim O'Connor, John Zaiger, encourages Laura Wingfield, Kathleen Bendix, as he says, "Your hair, your eyes, your hands are pretty."

Outstanding Senior Girl Chosen TomKeller Award Winner

First girl in the history of the high school to receive the Tom Keller Award was Linda Tilson. A committee of juniors and teachers chose Linda to receive this award for they felt she best represented the life of Tom Keller. The recipient of the award must exemplify outstanding

scholarship, character, and citizenship.

Linda has been active in school and community affairs. One of her outstanding achievements was being picked as Forest Grove's foreign exchange student to spend the summer in Germany.

After 15 Year Absence

Returning to the Viking football helm after an absence of 15 years, Coach Art Brachmann found a small, inexperienced squad, which resulted in a season's record of 1-7-1. Making up the main offensive thrusts were Chris Kirby, passing, and George Wise, running.

The first game of the season saw a 26-14 loss to Tigard's battling Tigers. In the second game, St. Helens unleashed a barrage of touchdowns to sink the Viking ship 41-19. Victory came to the local team in the form of a 26-25 come-from-behind win over Oregon City. At West Linn after controlling the game with a 6-0 lead for 47 minutes, Coach Brachmann's charges were forced to settle for a 6-6 tie. Against the league title-holders, Newberg, the Vikings fought hard, only to succumb to superior forces. The score was 27-13. The spirit of Homecoming was dampened not only by rain, but also by a 26-13 loss to Dallas hard-hitting Dragons. In the season's wind-up on muddy McCready field, the Tillamook Cheesemakers ground the Viking nose into the mire for a 32-0 splattering.

Prospects for the coming season are optimistic as Viking followers look forward to a promising season.

Junior Varsity Finishes

An experience-filled season saw the Junior Varsity squad finish with a record of 5 won, 3 lost, and 1 tied. Exceptional talent was demonstrated by Larry Keller and Ed Cowger who fulfilled most of the ball-carrying obligations. In the Newberg game, Larry Keller made all four of the touchdowns for the biggest win of the season, 26-20. Coaches Bruce Barker and Joe Moran held the reins of the inspired and at times frisky team.

Frosh Win 3, Lose 4

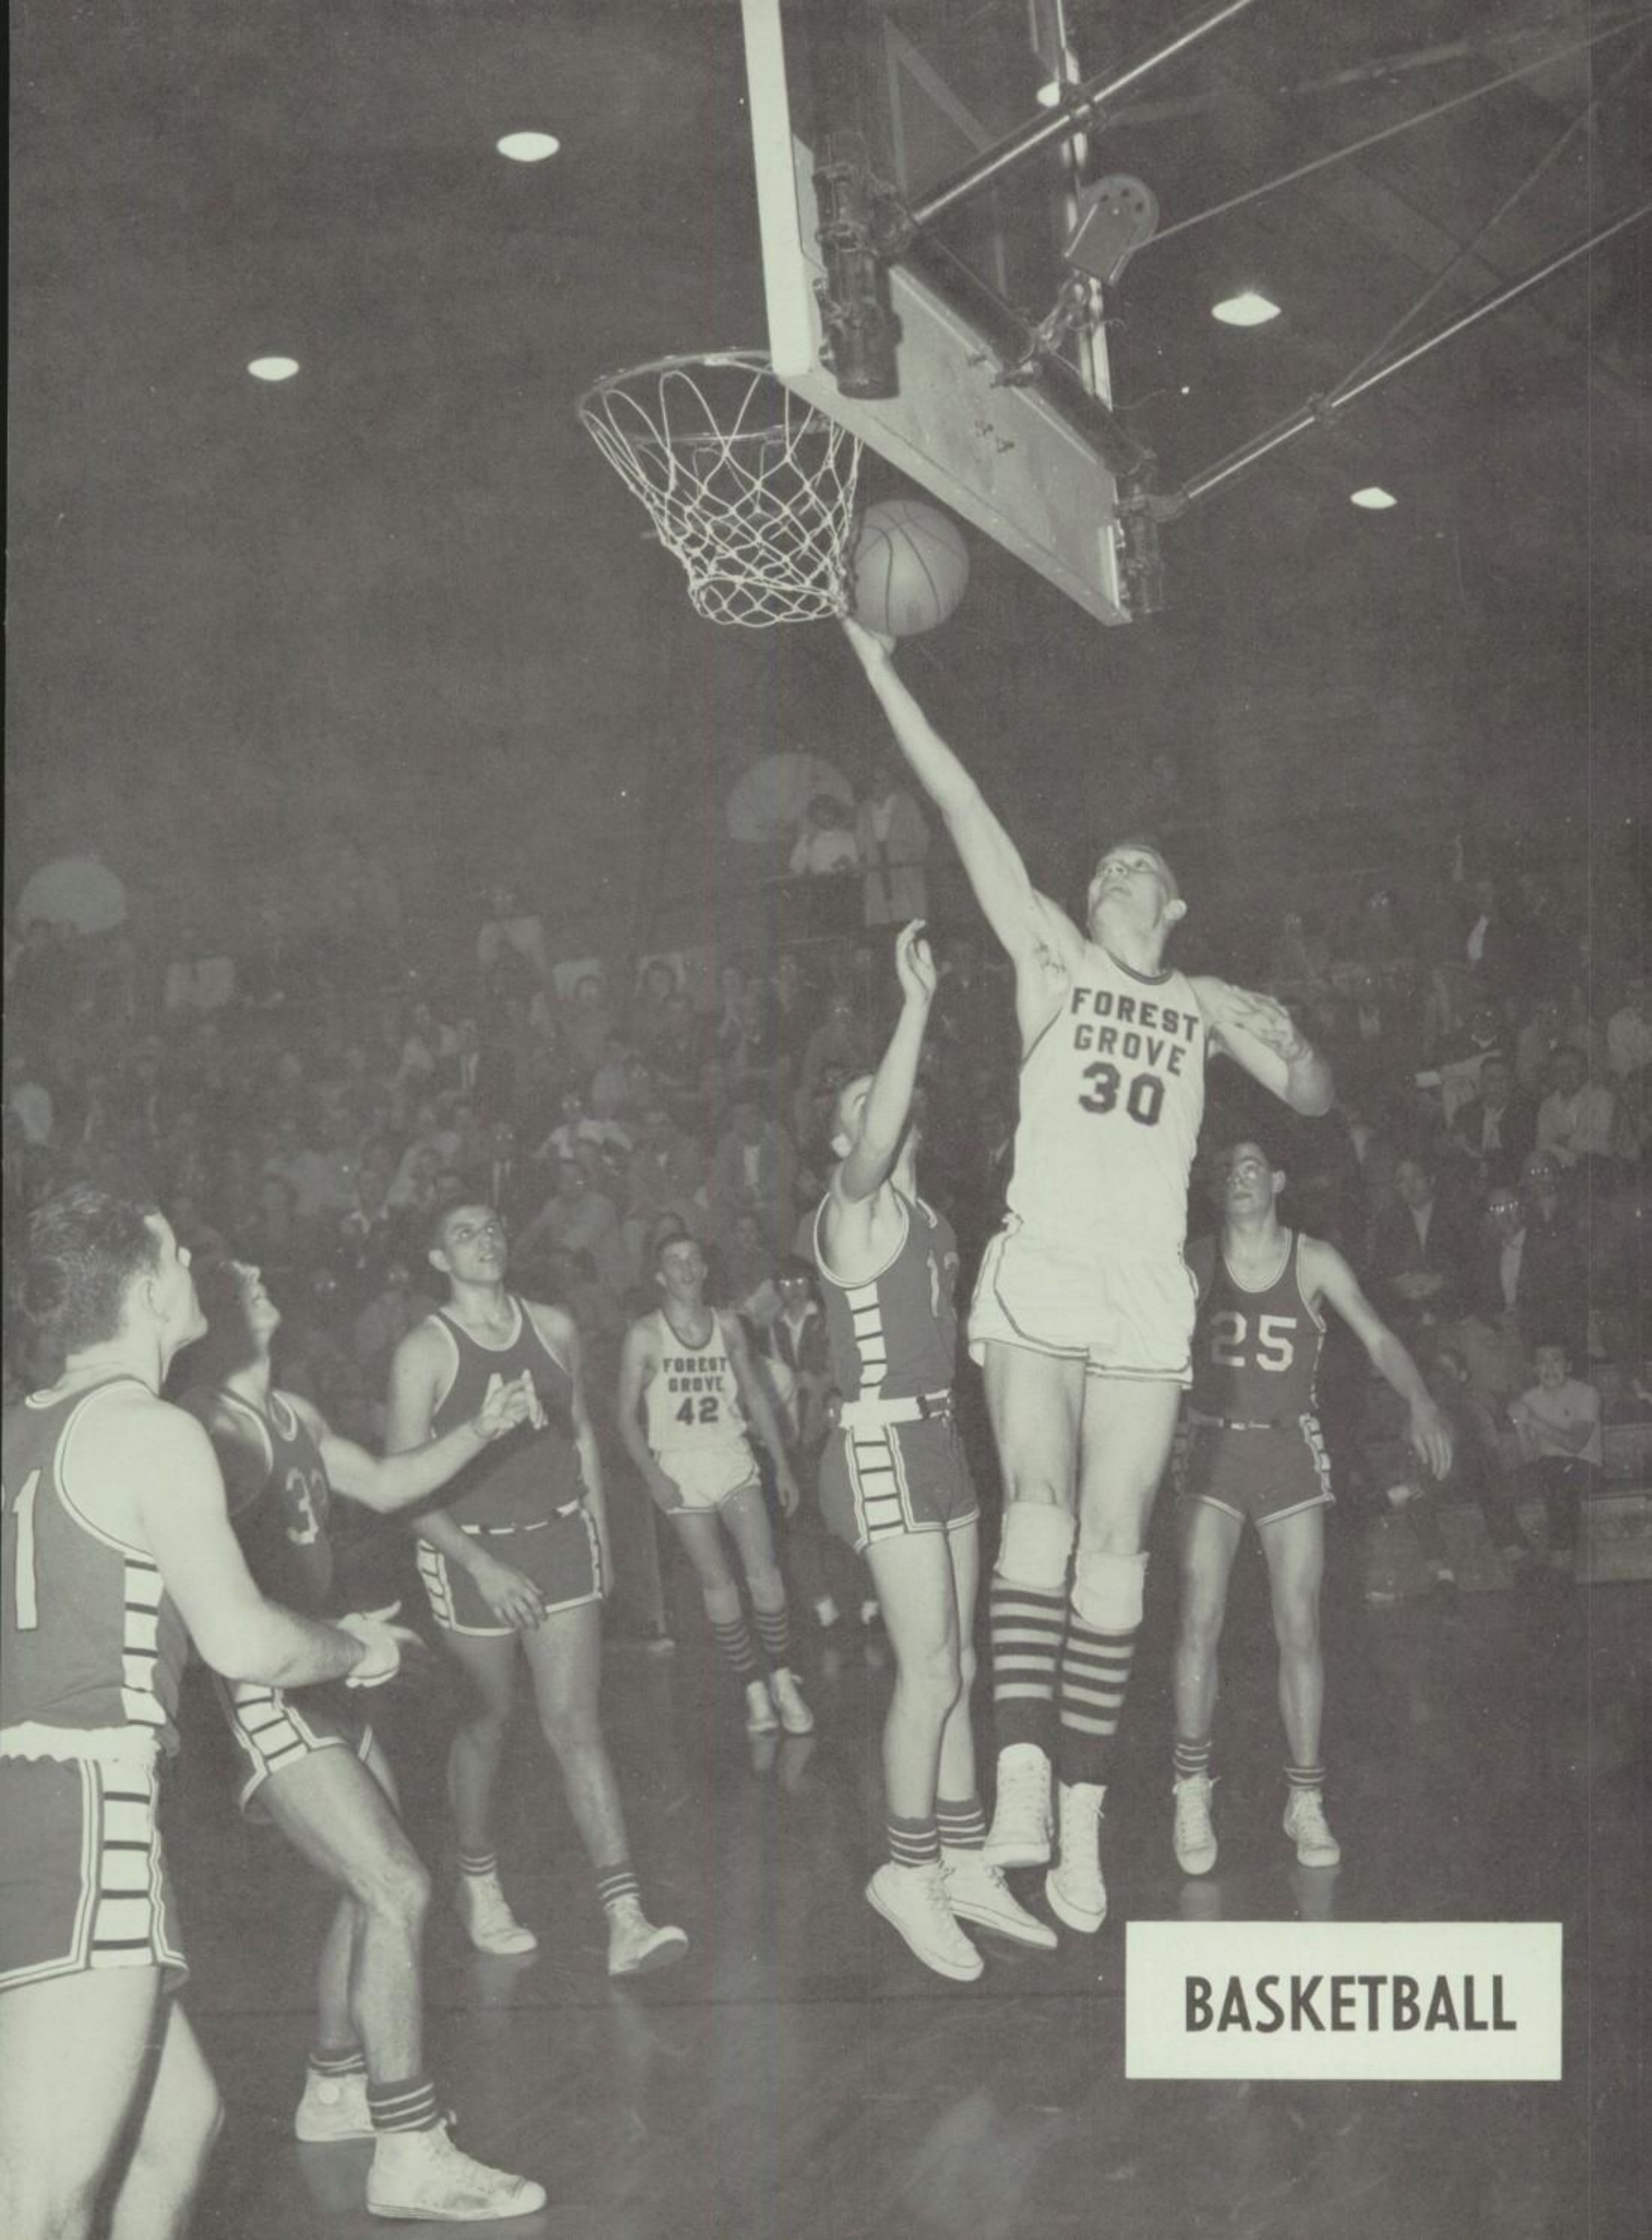

Forest Grove's Baby Vikings came through the 1961 season with a 3 won 4 lost record. Under the leadership of Coaches Alfred Garcia and John Willmarth, basic fundamentals of blocking and tackling were stressed. Outstanding players on the squad were Joe Adamonis and John Buchanan, whose teamwork resulted in the most touchdowns. Most exciting game was a score-filled contest won by the Frosh over Dallas 37-20.

Viking Varsity Completes

Victorious Season

In a victorious basketball season, Forest Grove Vikings ended in fourth place in TYV League action. The spectacular team play and fight exhibited by the Vikings aroused school and community interest in the sport surpassing previous years. The season opened with a pre-season win over Hillsboro in 3 overtimes, 60-59. The most exciting game of the season; however, reported Coach Barker, was with St. Helens, in which, Chet Mannen lofted a shot in the last seconds of the final bell to give the locals a 54-53 win. Due to illness, the last weeks were characterized by grim battles in which the team dropped games to end the season with a 11-7 league record. Coach Barker, who has coached Varsity basketball at Forest Grove for 9 years, has accepted a position at North Salem as basketball coach. He has been an inspiring coach and we wish him success in his new position.

Forest Grove Wrestlers encountered many tough opponents in a season filled with hard fought matches. Under the coaching of Al Garcia and Assistant Coach Eric Waldorf, four men placed at the District Meet and one went on to the State Tournament. Terry Sheldon, senior favorite, came through the season with a near perfect record; 1 pin, 9 decisions, 3 ties and only 1 loss. He placed second at the District Matches and traveled to the State Tournament for a third con-

secutive year, where he won 2 out of 4 matches. Larry Wait, Joe Hays, and Gary Bell were the other three grapplers to place at the District Tournament. The home boys fought through the season to a 2 won, 12 lost record with a shortage of men, especially in the heavier weights. The squad was co-captained by Larry Wait and Gary Bell. The Junior Varsity grapplers came through successfully-winning most of their matches. Leading the JV squad with wins was Roger Zurcher.

Viking Tracksters Enjoy Dual-Meet Successes

Viking trackmen, with only 7 seniors, fought determinedly to obtain a 5-1 Dual-meet record in the league. The only league meet lost was a close contest with Dallas in which the local thin-clads were bested by one point. Forest Grove was invited to the Willamette Relays, where three of the squad placed in events. Viking tracksters won a four-way meet over Banks, Yamhill-Carlton and Gaston. Jack Howard, head track coach and assistant coach Eric Waldorf, guided the runners through another successful season. This was Coach Howard's fourth season at FGUHS and it culminated in a second place at the Sub-District Meet and first places for both javelin and pole-vault at the District Meet. The varsity squad also entered the Oswego Relays. Coach Howard is to be commended for his capable handling of an unusual number of home meets due to a lack of facilities on the part of other schools. Although some top-notch men will be lost this year, Forest Grove should be headed toward another successful track season in 1963.

Inclement Weather Is Factor In Baseball Season

"Baseball is a combination of skill and teamwork," reminds Coach Arnold Thogerson, mentor of the Forest Grove diamond nine. The right combination was never reached by the Vikings as the season came to a close with an 8-7 record. Pitching and fielding skills were exhibited during the season, and the team worked hard to develop their ballplay. Only

three returning seniors were on the team this year. TYV coaches chose Jerry Williams, pitcher, and Chris Kirby, second baseman, for West End 1st Team All-Stars. It was an experience developing season which will contribute to next year's varsity nine earning a better won-lost record.

Junior Varsity Baseball Team Shows Promise

Forest Grove Junior Varsity Baseballers gained experience in a season of many victories. In predicting a well-manned Varsity for next year, the JV players put a 7-1 league record in the book. In non-league action, the team won a game with Jesuit and lost two to Gaston's Varsity. Ken Tucker, transfer from Iowa, who had never pitched before, won 4 games,

and Terry Herb, a frosh, pitched good relief ball, plus winning a game with Tillamook. Offensive play was bolstered by the two big sticks of Larry Keller and Terry Herb. Coach Moran had a strong team and expects to see several players in action next year on the varsity nine.

Viking batter, Ron Thompson, awaits the pitch and a chance to score.

Tim Schauermann, recipient of the Viking Achievement Award, poses proudly with the trophy. It is presented annually by the Forest Grove Rotary Club.

Schauerman Receives Viking Achievement Award Trophy

Good athletes have certain characteristics that cause them to stand above their fellow competitors: Skill, good sportsmanship, zeal, and determination. Throughout the school year, such athletes are honored by FGUHS and its contemporaries. Those pictured below have met these standards and have demonstrated their abilities.

Winner of the Viking Achievement Award this year is Tim Schauermann, a three-sport contender. Bob Baldwin received the "Most Inspirational Player Award" for his well-filled position on the football squad. Ed McFarlane, junior, was chosen forward on the TYV Basketball All-Star squad by the News-Times.

Athletic Letters Offered In Minor Sports

Minor sports, new to the Viking athletic program last year, made a major break-through in that letters were awarded for the first time.

FGUHS Cross-country men attended a greater number of meets this year than in previous years. In seven meets as participants, the Vikings placed first in one meet, copped two second places, three third positions, and one fifth place. Dave Clark sparked the team with a second place in the League play-off and ran in the State championship run-off at Salem. Cross-

country was coached by Track Coach Jack Howard.

Girls of the Tennis Team were also more active this year, being coached by Miss Elma Hewitt. They won several matches and traveled to the District Tournament at the end of the season.

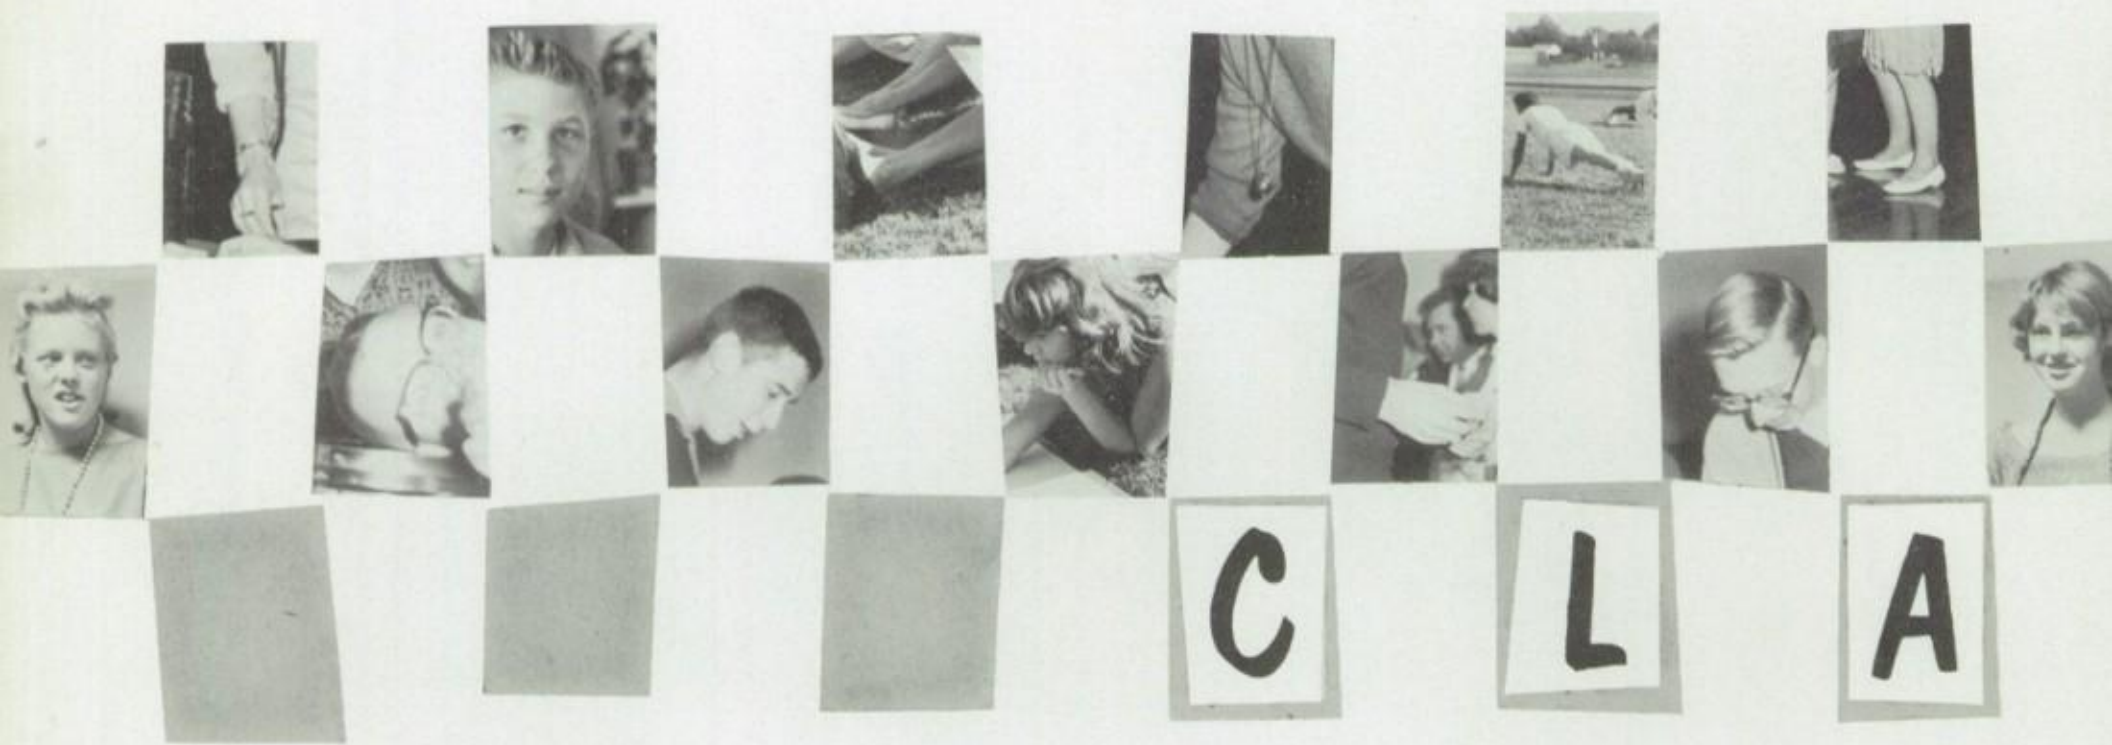

Forest Grove's fledgling golf team, although not too successful in the won-lost column, enjoyed a season of fun and experience. The team won one match and lost eleven. Highlight of the season was a match with the school faculty. The final count was a tie 11-11.

Capacity Crowd Attends 1962 Commencement Exercises

A capacity house heard Mr. Fred Stocking of Williams College and Portland State College advise the 1962 seniors that education is a continuing process. One hundred-fifty six graduates were presented diplomas by Howard Robertson, School District Chairman. The Valedictory and Salutatory were given by Gary Jensen and Velva Wood, respectively. Music was furnished by the high school band, which was directed by Elburn Cooper, Band Director.

Through open doors the graduation scene tells us that this is---really---the last day for the seniors.

A Door Opens - And New Vistas Beckon

Dear Alan,

You are a sweet kid, I wish I had
got to know you sooner. I'll always remember
you, and Darwin and Butch, all very
differently of course. Good luck in every-
thing you do, and have fun. Stay as
sweet as you are and don't do anything
I wouldn't do.

All My Love Always,
Donna
